

Blue Vs Gold

Sunday, June 18, 2006

Indian Valley College

## Welcome to the Marin Swim League's 2006 All Stars - Blue Vs. Gold Format

### Where yesterday's rivals become teammates for the day!

Welcome to the 2006 Marin Swim League All Star Event. In recognition of the MSL's rich history, for this year, we decided to resurrect the Blue Vs Gold team competition where the league's top/qualifying swimmers are divided into two teams for this 1-day competition. In the past, this format helped to unify the league and foster friendship across all ten teams. Today's event will be run much like a dual meet, but instead of dividing the league teams by North-South or East-West, the MSL Board have agreed to a Boys (Blue team) Vs. the Girls (Gold team). Even the coaches from each team have been assigned to either the Blue or the Gold team. Please note that as part of our preparations for this year's event, we used past-years' All Star results to verify that this match-up will be competitive, create some exciting finishes, and provide a great day for both the swimmers and their families.

For today's event, the swimmers have been seeded fastest to slowest - fastest swimmers swimming in the first heat of each event. But, with this format, there are only 35 events. And even though the boys and girls will be swimming against each other, just like past All-Star events, individual Boy and Girl event records will still apply with new records established for the relays. Individual medals will be awarded 1<sup>st</sup> through 8<sup>th</sup> place and relays 1<sup>st</sup> through 3<sup>rd</sup> place.

We would like to recognize and thank the many people who contributed to the concept of this new format. First, the MSL Board - that is comprised of a representative from each team who gather once a month to conduct the business of the league - has agreed to shake things up a bit by allowing us to try something new. Secondly, several of the teams have brought equipment to IVC to help facilitate the operation of this meet - special thanks go to the Novato Riptides for their generosity in allowing us to use their equipment; the Tidalwaves for the use of their 8-lane touch pads; and both the Orcas and Lucas Valley who have also contributed various essential equipment needs. And finally, **A HUGE thank you to John Nolan** of the Orcas for his enthusiasm in creating this new format, his analytical mind in thinking of the numerous ways to evaluate this format to ensure it works, the serenity he portrays in late night emails, and his calming presence in the midst of chaos. We are grateful for his time and effort in making today successful.

Lastly, we want to thank all the swimmers for their dedication to their craft, the coaches for their commitment to our children, and to all the hundreds of volunteers that are here today and also work across the county each weekend during the season to keep our meets running smoothly.

Enjoy the day!

The Marinwood Waterdevils
