About Lucas Valley Lightning

Founded in the late 1960's, the Lucas Valley Lightning Swim Team is dedicated to offering a family and community oriented program for the healthy pursuit of personal excellence through individual and team achievements. Our goal is to provide a positive competitive environment that will help develop good swimming skills, a forum for friendships and fun, and an overall experience that will enhance our children's team spirit and sportsmanship.

Maintaining this critical balance between personal excellence and fun, our coaching staff, with over 20 years of experience, has developed a world-class program that supports all levels of swimmers. Through weekly swim meets and numerous team events, such as our annual overnight camping/rafting trip, LVST swimmers and their families make friendships and memories that last a lifetime.

The Lucas Valley Swim Team is a member of the Marin Swim League.

Why Support the Lucas Valley Lightning Swim Team?

Each year, approximately 150 swimmers ages 4-18 and their families from the all over Marin gather at the Lucas Valley Community Pool to take part in a time-honored tradition of fun and community. As a non-profit organization, a large portion of the Lightning's operating budget is covered by fundraising efforts.

By supporting the Lucas Valley Lightning Swim Team, you not only help to ensure that this tradition continues, but you also gain valuable exposure to LVST parents as well as those around Marin County to promote your business.

Throughout the season, LVST will host 3-4 home meets. As a Lightning Bolt sponsor, you will have the opportunity to have your brand/business exposed to both the 100+ LVST families as well as 400+ families from other swim teams throughout Marin.
